Need more info?
Get in touch with us and we will be happy to provide more details.

The Learning & Skills Teacher qualification develops professionals who teach and support learners aged 16 and above across Further Education and Skills settings, including colleges, independent training providers, and adult learning environments.

These dual professionals combine academic, technical, and vocational expertise to deliver engaging, high-quality teaching that helps learners achieve their full potential. With a focus on planning and delivering inclusive, evidence-based learning, this qualification prepares teachers to inspire progress, adapt to diverse learner needs, and uphold the highest professional standards—ultimately shaping confident, skilled individuals ready for employment or further study.

END POINT ASSESSMENT

OBSERVATION & DISCUSSION

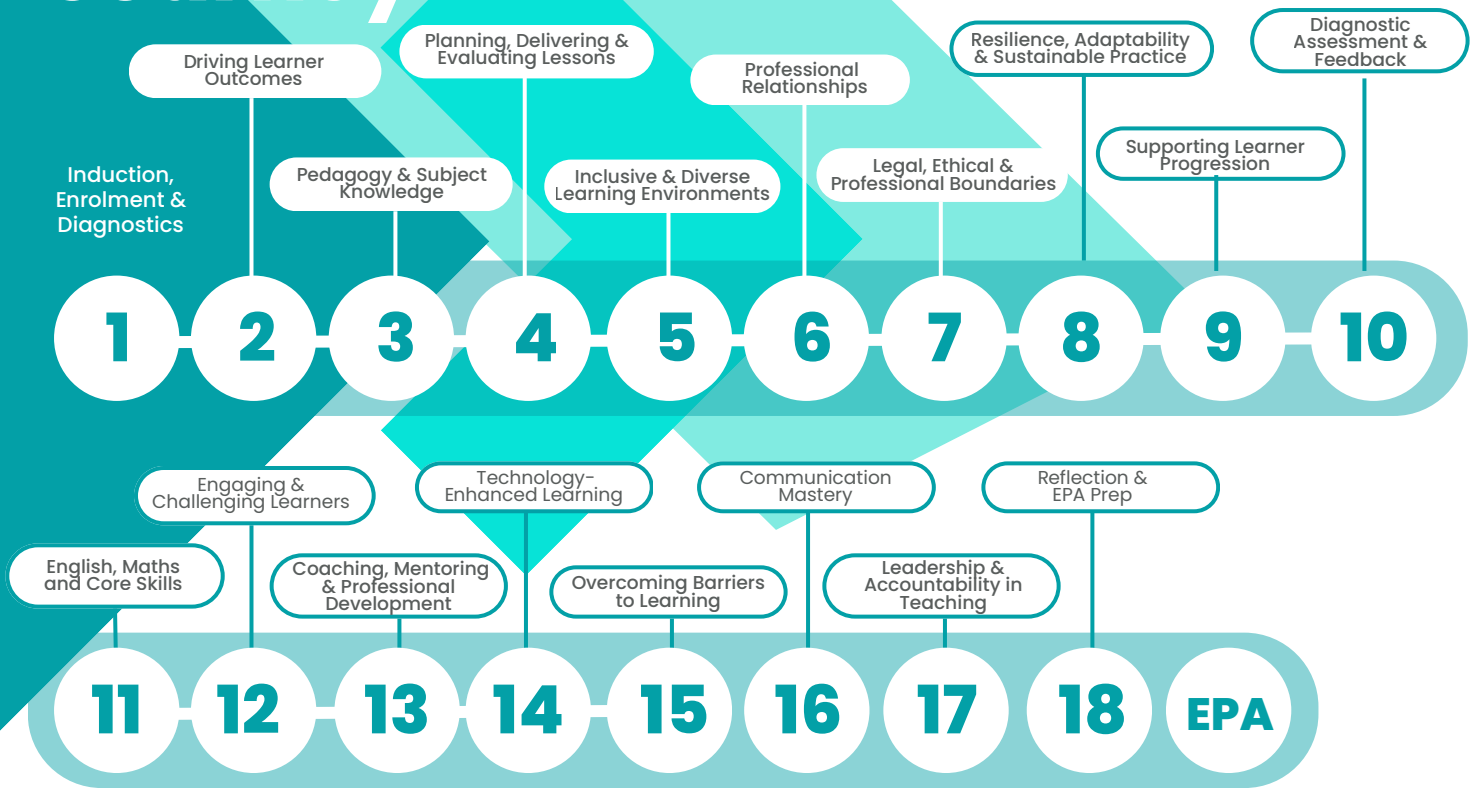
The observation includes setup, delivery & interaction, where you will teach at least five learners. A lesson plan must be provided before and the lesson will be followed by a 45 min reflection with the learner. All parts will be carried out by external body / Assessor.

PROFESSIONAL DISCUSSION

During this discussion you will be asked to demonstrates key knowledge, skills, and behaviours, referenced from your portfolio. Your assessor will ask you a minimum of 12 questions which you will have to answer in as much detail as possible.

TOTAL TRAINING PROVISION

Typical Apprenticeship Journey



Off the job training

What counts towards off the job?

Is it directly relevant to the apprenticeship standard or framework?

YES → Is it teaching **new** knowledge, Skills and Behaviours?

→ Is the learning taking place within the apprentice's **normal working hours?**

YES → If it's English or maths, is it above level 2?

YES → **This counts as off-the job training**
