

Level 2

Preparing to Work in Adult Social Care

What is it?

Qualification Overview

This qualification provides the essential knowledge and understanding needed to begin or develop a career in the adult care sector. Learners will explore key areas including safeguarding, effective communication, equality and diversity, person-centred care, health and safety, and the responsibilities of a care worker. It also helps build confidence in supporting individuals with dignity, respect and compassion. The qualification is ideal for anyone looking to work in residential care, domiciliary care, supported living or other health and social care settings.
