# CompTIA Pentest+

The Certiport IT Specialist - Cybersecurity certification is designed for learners who want to **develop foundational knowledge of cybersecurity principles and digital security practices**. It is ideal for individuals interested in roles such as Cybersecurity Support Technician, IT Support Specialist, Security Operations Assistant, or Junior Security Analyst.

As organisations face increasing cyber threats, professionals with cybersecurity awareness, threat identification skills, and knowledge of security best practices are becoming increasingly valuable in protecting digital systems and sensitive data.

## Commercially Funded

Our courses are designed to be accessible and flexible, with payment completed via invoice. If you are interested in enrolling, please get in touch with our team to discuss available **funding options, pricing, and enrolment details.**

Whether you are looking to begin a career in cybersecurity, develop digital security skills, or build knowledge of modern cyber threats, our accredited training programmes provide flexible learning, expert tutor support, and engaging online resources designed to fit around your schedule.

**Cost of Course:** £900
