CompTIA Network+

The CompTIA Network+ certification is designed for learners who want to develop **practical knowledge of networking technologies, infrastructure management, and connectivity solutions**. It is ideal for individuals interested in roles such as Network Support Technician, Network Administrator, Infrastructure Technician, or IT Support Specialist.

As organisations increasingly depend on **secure and reliable network connectivity to support business operations and cloud services**, professionals with network configuration, troubleshooting, and infrastructure management skills are highly valued across many industries.

Commercially Funded

Our courses are designed to be accessible and flexible, with payment completed via invoice. If you are interested in enrolling, please get in touch with our team to discuss **available funding options, pricing, and enrolment details.**

Whether you are looking to start a career in networking, develop IT infrastructure skills, or gain a recognised industry certification, our accredited training programmes provide flexible learning, expert tutor support, and engaging online resources designed to fit around your schedule.

Cost of Course: £840
